TO CONSIDER A CONDITIONAL USE PERMIT FOR GERMAINE MITCHUM TO OPERATE ROYALL EVENT HALL AT 505 SPENCERPORT RD. SUITE 8 IN A GENERAL BUSINESS DISTRICT

Supervisor Giunta asked if the applicant was present to speak on this?

Germaine Mitchum, 135 Kencrest Dr., stated that he and his wife have been saving up for years to open a banquet hall. It would be something to grow the community better. It would be for weddings, anniversaries, birthdays, bar mitzvahs, and corporate events.

Supervisor Giunta asked the occupancy of the hall?

Mr. Mitchum responded, 267 people located next to Pineapple Jacks. It's 4000 Sq. Feet.

Supervisor Giunta asked if there would be live music or DJ if someone wanted?

Mr. Mitchum, said there would be no live music or DJ, he has a Bluetooth system.

Supervisor Giunta asked if there will be any alcohol on the premises and what would the hours of operation be?

Mr. Mitchum responded, no alcohol and as for the hours, he would open to hold corporate events/retreats during the day. So, he would open like 8:00am till like 10:00pm, seven days a week.

Supervisor Giunta asked if he would cater to a breakfast/brunch type meeting?

Mr. Mitchum, yes like if a business holds an employee appreciation breakfast, they would cater to that.

Councilman Loughlin asked if everything is strictly catered in or if there is a kitchen?

Mr. Mitchum, responded they do not have a kitchen, so everything is catered in. It is just the space people would rent for their event.

Councilman Cordero, asked what he provides, just the place?

Mr. Mitchum, the place, tables & chairs with covers for both and his Bluetooth system.

Supervisor Giunta asked if he goes back to lock up everything?

Mr. Mitchum, yes goes back to inspect and lock up.

Supervisor Giunta asked if he picked a time from opening to closing, keeping in mind set-up and clean-up times?

Mr. Mitchum, cleaned up, which takes about 1-1 ½ hour and as far as start time, it would depend on how much they want to decorate, so he may allow them there as early as 8:00am

Supervisor Giunta asked if it was fair to say hours of operation would be 8:00am to 11:30pm Sun-Sat?

Mr. Mitchum agreed.

Councilman DiPonzio asked how many bathrooms?

Mr. Mitchum, responded with 2 full bathrooms, and both are handicap accessible.

Councilman Cordero asked if there is a sprinkler system?

Mr. Mitchum, answered yes, a sprinkler system as well as a new installed fire alarm system installed by Fire Solutions, that they didn't realize they needed.

Supervisor Giunta asked if anyone from the audience wanted to speak?

Lucy Pickett, 90 Youngs Ave. asked, when there is an event happening, is there anyone from the business that is providing security?

Mr. Mitchum responded, yes. There will be security present as well as having cameras which will have 24/7 monitoring

Ms. Pickett made a statement that she knows Gates Police had been called to this address at least twice, once of which was herself, when there was an incident involving 10-20 people fighting in the parking lot. The time frame was like 4 or 5 in the afternoon and she was afraid to go into Pineapple Jacks

Mr. Mitchum stated it was teenagers outside horseplaying. He spoke with the Sergeant, who told him they received a call and would look into it further

Supervisor Giunta asked Police Chief Long if he could verify?

Police Chief Long stated the police department did receive a call, but also wanted to verify a statement made earlier about having a staffer on the premises as well as the cameras and fire safety especially when there is a large group gathering. He continued, they learned about this location via the 911 phone call they received about a fight and officers did respond, but there were no arrests made, no active fighting, but there were a lot of uncooperative people in the parking lot, and the officers did disperse the crowd. There is always the understanding that in the time between a call comes in for a fight and the officer's arrival, the fight could be over, but he continued that is always the concern of the police when there is a large crowd happening.

Chief Long recommended Mr. Mitchum is provided with a copy of the 3rd Party Event Town Law

Councilman Cordero asked if it's known if any of that incident came from Pineapple Jacks as well?

Chief Long responded. No, it did not

Gary Stenshorn, 19 Burning Brush Dr., asked how is alcohol on the premises handled or to be taken outside the establishment?

Mr. Mitchum, said, alcohol will not be permitted on the premises unless the renter or mobile bartender acquires a special one-day permit through the town. Alcohol being taken outside the premises will not be permitted.

Mr. Stenshorn asked about security and if they will be licensed?

Mr. Mitchum as stated earlier, he will have licensed security and he has cameras monitoring 24/7, although he doesn't see a need for too much security for weddings, but will have per events.

Supervisor Giunta asked if anyone else wanted to speak for or against?
Hearing none closed the public hearing at 7:17pm.

Supervisor Giunta explained what a Conditional Use Permit was and how it worked. All conditions given need to be upheld and if not could result in the CUP being Revoked.

Mr. Mitchum does plan on having all renters sign a contract stating all the dos and the don'ts to avoid termination of rental.

Councilman DiPonzio asked if there is a break down of how many supervising for the number of guests?

Mr. Mitchum stated it really would depend on the number of guests. For example, 25-40 he would have 1, but like 50-75, he would have 2 and with over that possibly 3.

RESOLUTION 60-25

Motion by Supervisor Giunta who moved its adoption:

**A PETITION TO CONSIDER A ZONING CHANGE FOR STEPHEN CHABOT
TO OPERATE ERIE MATERIALS, INC. LOCATED AT 911 & 0 BROOKS AVE.
IN A GENERAL BUSINESS DISTRICT TO A GENERAL INDUSTRIAL DISTRICT**

Supervisor Giunta asked if the applicant was present to speak on this?

Alexander Cameron, offices at 217 Lake Ave. along with Stephen Chabot who owns and operates Erie Materials and is Vice-President and has several locations across the region. In early January he came under a purchase agreement to purchase 911 Brooks Ave and roughly the vacant 2-acre parcel that comes with it. There is a lot of history with that property and the state it's in going through the due diligence with his team they looked at the use of his business relative to the zone which is currently General Business (GB), which is when they started looking at the surrounding zonings and decided to apply for a zone change to General Industrial (GI) Zoning, which fits his use very well. It is a bit of an odd locations with multiple zones. The rezoning would be very compatible with the surrounding businesses and if this board moves forward with the rezone, they will then move forward with full design and Site Plan Application.

Supervisor Giunta appreciate the presentation and feels it would only make sense to rezone this property to General Industrial (GI) Zone and he and the board are happy to see someone finally taking interest and wanting to develop this. He agrees the surrounding areas are zoned GI with the exception to this piece being GB. He does not foresee an issue and feels this is a wonderful project for the town especially with it being vacant for a number of years.

Councilman Cordero asked if they sell siding and building materials more of a wholesale?

Mr. Chabot, responded yes, all exterior materials (windows, siding, paint, doors, roofing)

Supervisor Giunta asked if anyone from the audience wanted to speak on the project?

Valerie Forte, 29 Sungrove Lane, wanted to know what it was zoned prior to the Hotel, and if possibly it was General Industry?

Supervisor Giunta responded it was always General Business.

Supervisor Giunta asked if anyone else had anything?

Hearing none closed the public hearing at 7:29pm.

**TO REVIEW LOCAL LAW #1-2026 TO AMEND THE RESIDENCY REQUIREMENTS
FOR THE POSITION OF SUPERINTENDENT OF
HIGHWAYS FOR THE TOWN OF GATES**

Supervisor Giunta stated this would be the first Local Law passed this year and the reason for this local law is to change residency requirement for the position of Highway Superintendent. He continued by saying that this position was vacated in January of this year with the resignation of the Highway Superintendent and that since then they've been searching for candidates. Many candidates that applied reside outside of Gates and because of it were able to find a Gates candidate.

Attorney John DiCaro explained that Town Law requires the house superintendent be a resident, however the New York Municipal Home Rule Law allows the Town Board to make this alteration in this type of situation, when it broadens the pool of potential applicants. This action is consistent with the Municipal Home Room Law.

Supervisor Giunta stated this amendment would be in Chapter 36 Officers and Employees of the Gates Town Code. This was available for review with the Town Clerk's office during this time.

Supervisor Giunta asked if anyone from the public wanted to speak on this. Hearing none closed the public hearing at 7:32pm.

Supervisor Giunta continued and asked that this local law be passed and as with any local law that a SEQR also be passed.

AUDIENCE PARTICIPATION

Supervisor Giunta asked if anyone from the audience wanted to speak?

Rebekah Klingensmith, 1629 Chili Ave she a property owner for three years and wants to highlight dangerous traffic behavior and safety concerns on Chili Ave. She's claiming there is evidence to show drivers are speeding and violating the posted 40 mile an hour speed limit. She has been working on getting signatures from local residents and has already highlighted this issue with Police Chief Rob Long and his office along with State Police, but after requesting special attention hasn't seen clear action or results. Looking at State Department of Transportation speed data, there is documented 10-year of consistent non-enforcement. It shows that 85% are diving more 50 mph and some are driving closer to 60 mph especially at rush hours and between 9pm and 1am. This is a pedestrian heavy road connecting with RTS bus stops and with the added Chipotle this summer creates major concern. It's a risky road for residents and meal deliveries.

Ms. Klingensmith is asking the Town Board to work directly with the Gates Police Department to actively enforce the 40mph speed limit.

Supervisor Giunta, that we can do and agreed with Ms. Klingensmith people do speed down that road and asked the Chief is he could add some extra patrol details and get our traffic a bit more controlled. Chili Ave is a state road, but we will try to enforce more so. He thanked her for bring this matter to the board and added, we'll do our best to address this.

Lucy Pickett, 90 Youngs Ave added at the cross intersection of Long Pond and Spencerport Rd in the past 5-years there is many more people walking and riding their bikes and is really unsafe for them to cross. She asked if there is a way to have crosswalks lights put in?

Supervisor Giunta, clarified that Spencerport Rd is a State road and Long Pond Rd is a County road. He has actually reached out tot the county for a crosswalk in that vicinity more towards Lions Park area, but has received push back, saying there is not enough foot traffic, but he will continue to ask and try to advocate for it. Spencerport Rd will be repaved this from Howard Rd to Washington St., so maybe during that time, we can ask about putting a crosswalk there, with possible flashing light. He added she can reach out to the county and state as well.

Councilman Loughlin added there is a school along that path, North Star

Supervisor Giunta asked if anyone else from the audience wanted to speak?
Hearing none, closed the Audience Participation.
